

ADEEBA JAVED

+923-161862288 • adeebajaved12@gmail.com • <https://www.linkedin.com/in/adeeba-javed-b272a2347>

EDUCATION

Bachelor of Science in Artificial Intelligence, GPA: 3.35/4.0

2022–2026

University of Kotli AJK, Kotli, Azad Kashmir

- Studied Fundamentals of Programming, OOP, DSA in C++, Database Management, Programming for AI in Python, Machine Learning, NLP, Deep Learning, Computer Vision, Web Design and Development, Data Mining, ANN, .

EXPERIENCE

Mathematics Teacher

in 2024

Read Foundation high. School, Chowki Kalah, Kotli, AJK

- Served as a mathematics teacher, enhancing understanding of core concepts.
- Gained valuable teaching experience, strengthening foundational knowledge in maths.

PROJECTS

Sentiment Analysis (Amazon_reviews) using LSTM

- Developed a deep learning model to analyse positive and negative reviews.
- Utilized Python, TensorFlow, and LSTM networks for classification and anomaly detection.

- Achieved high accuracy through effective data preprocessing and model optimization.

Gender Voice Recognition

- Developed a regression model to predict male and female voice based on features like frequency, pitch, mode, MCCA, etc.
- Implemented using Python and Scikit-learn.

Hospital Management System

- Developed a Hospital Management System using Object-Oriented Programming (OOP).
- Integrated the system with an SQL database for efficient patient and staff record management.
- Implemented functionalities such as appointment scheduling, patient history tracking, and billing.

Car Price Predictor

- AI-based web app that helps user to predict car price using Machine Learning.
- Built with Python, Scikit-learn, and Flask.

Website for CV using WampServer (local host)

FAQ Chatbot for university

Real Time Object detector and tracker system

Ai Multilingual Translator

Locally Hosted Generative Ai Interface

SKILLS

Programming Languages: C++, Python, CSS, Java

Technical Skills: AI & Machine Learning (Supervised Learning, Model Optimization), Database Management, DL, CV, NLP.

Soft Skills: Communication, Presentation, Team Collaboration.
